Two Ways of Seeing Well-Being

○ PERSONAL

Individual perspectives and experiences that affect how we think, feel, and function and how we evaluate our lives as a whole.

**Rises and falls,
from birth to death**

○ SURROUNDINGS

Urgent Services

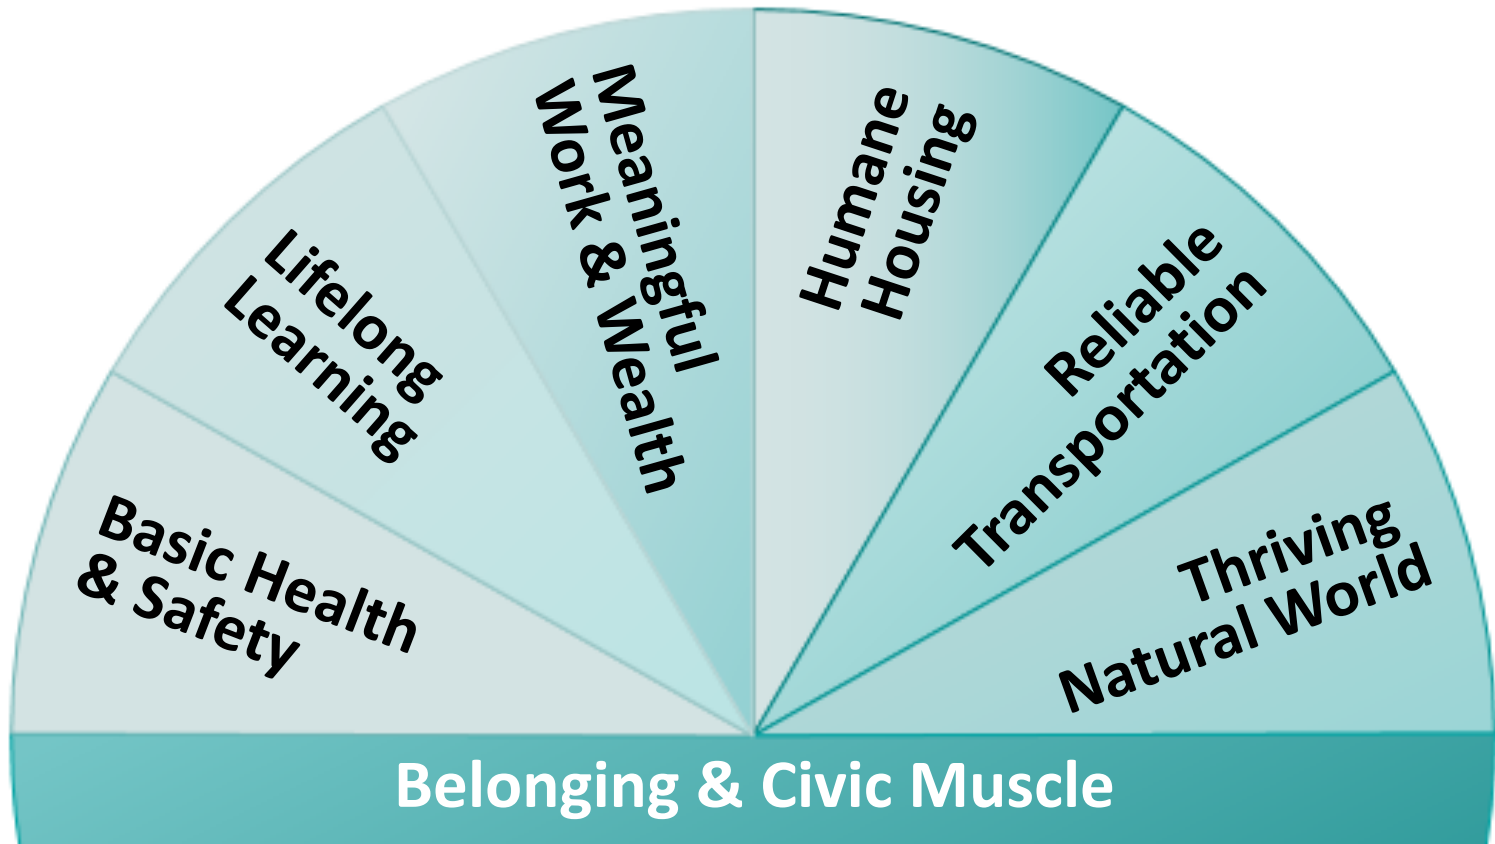

Services that anyone under adversity might need temporarily to regain their best possible health and well-being

Vital Conditions

Properties of places and institutions that we all need all the time to reach our full potential

**Legacies that persist
over generations**

Naming Vital Conditions

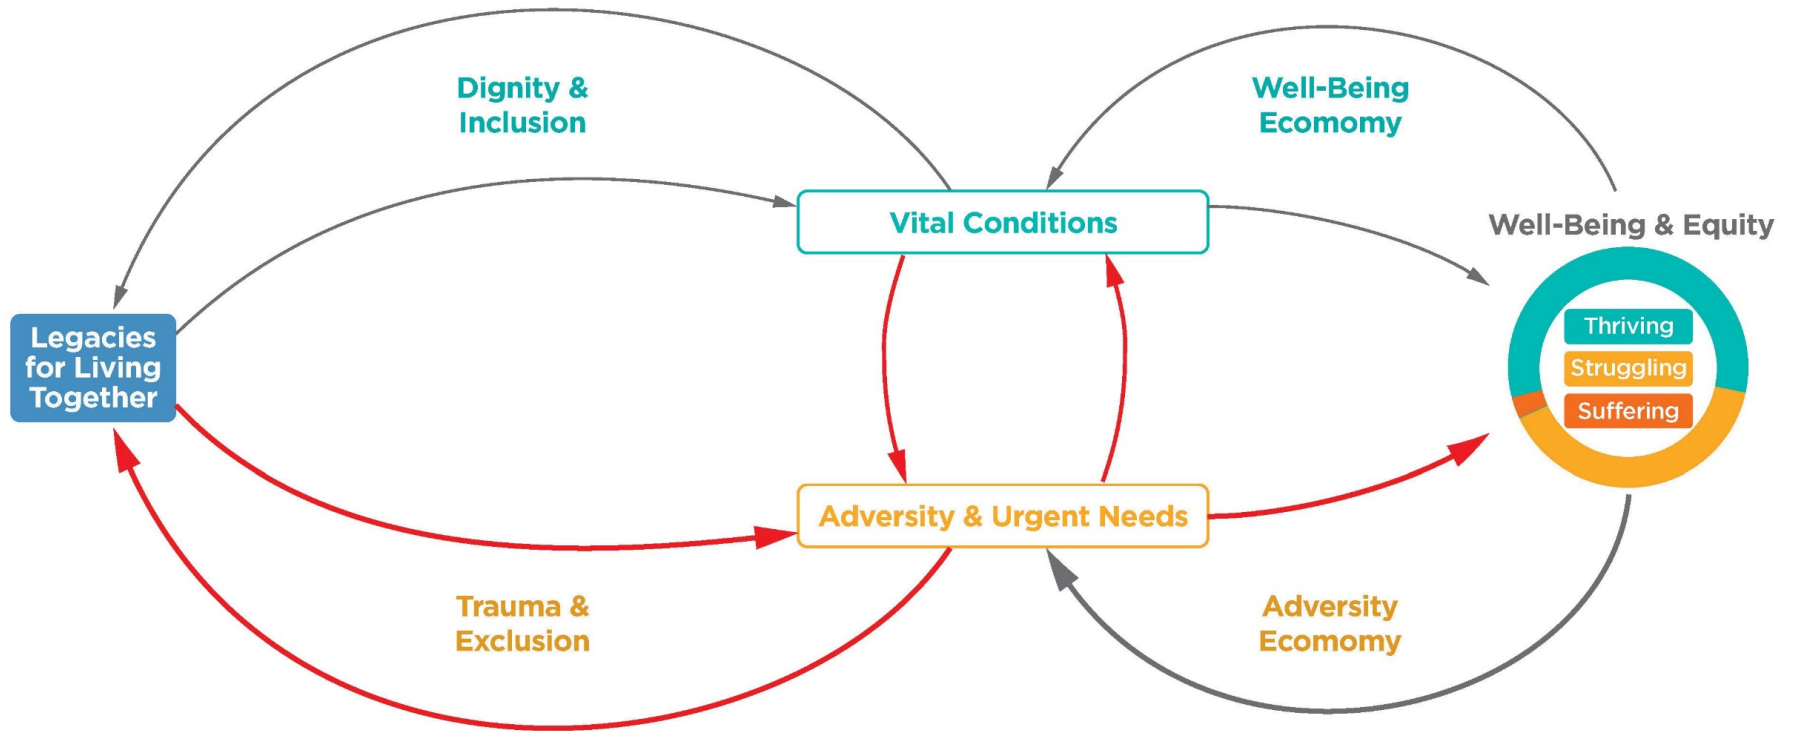

STEWARDS

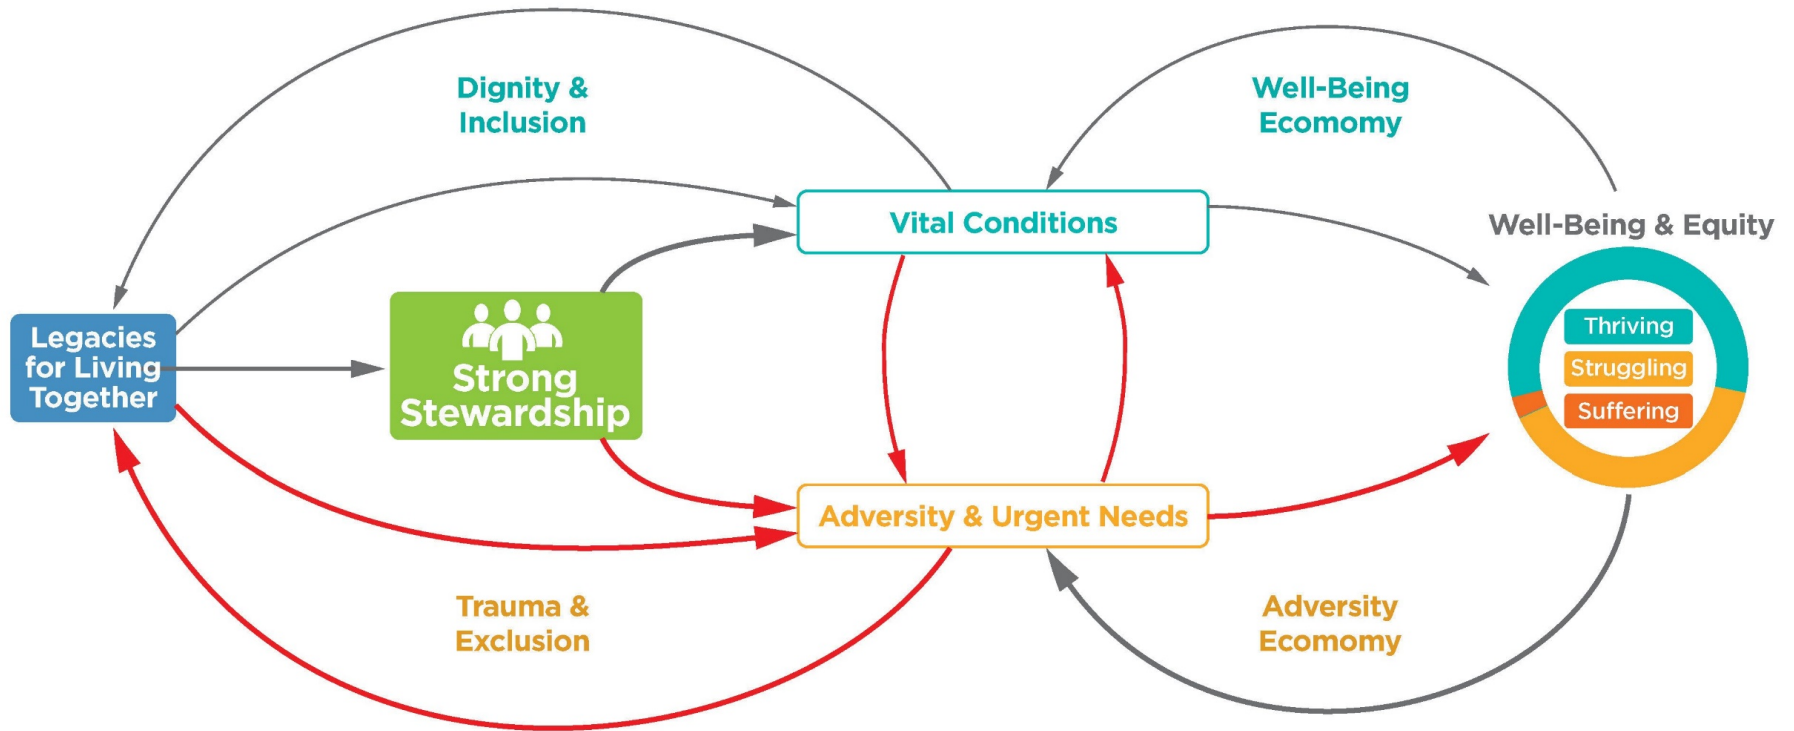

People and organizations who take responsibility for transforming health and well-being across a region. Stewards may be affiliated with organizations, or may act on their own agency, such as a resident.
